

## Summer Term Newsletter

Dear Parent/Guardian,

Welcome back to school this summer term!

Our topics this term are 'Travel and Journeys' and 'I am creative'. We will be working on these topics using our six areas of development.

Below are some of the things you can do at home to help your child.

### **Communication, language and literacy-**

Having fun enjoying reading stories, singing songs and rhymes.

Using learnt letter sounds to read and write words.

Learning how to write a golden sentence with a capital letter, finger spaces and full stop.

Practising handwriting, starting and finishing letters in the correct place.

### **Mathematics-**

Counting, reading and writing numbers up to and beyond 20.

Learning number doubles to 10 e.g.  $1+1=2$ ,  $2+2=4$  etc.

Beginning to add numbers in their heads to 10.  $4+6=10$ ,  $5+5=10$ ,  $2+8=10$ .

Practical problem solving inside and outdoors using language such as larger, smaller, how many, more and less.

Learning the days of the week and months of the year in sequence.

Telling the time using whole and half hours from a clock face.

Using money in our role play shop and beginning to learn the value of different coins.

Learning about capacity, exploring when a container is 'full' or 'empty'.

### **Personal, social and emotional-**

To understand what is right, what is wrong, and why.

Considering the consequences of their words and actions for themselves and others.

To use golden words such as please, thank you, excuse me.

To think of how we can be kind to our friends.

### **Knowledge and understanding of the world-**

To ask questions about where they live and the natural world.

To investigate old and new transport.

To do a traffic survey.

To look at the different ways we travel.

### **Creative development-**

To experiment with paint, crayons, tissue, card, glitter, clay and junk modelling.

To learn simple songs and perform them using their voices and instruments.

To use their imagination when dancing, singing and exploring.

### **Physical development-**

Using climbing frames, bikes, bats balls and obstacles to balance, climb and jump.  
Using scissors, pencils, pens, pegs and beads to develop finger strength and grip.  
Recognise the importance of keeping healthy and those things which contribute to this.

### **Homework-**

Homework will continue to go home on a Thursday and needs to be returned on a Monday.  
Thank you for all those parents who have put so much effort into supporting their children.  
We have been really impressed with the homework we have received.

### **Reading-**

**Reading books will continue to be changed each week.** Please ensure your child's PACT folder/book bag is in every day as children will have opportunities to read throughout the week. We cannot issue new books until books have been returned. Please see a member of staff if you think you have lost a book. We charge £5 to replace lost books.

### **Things to Remember**

South Kensington P.E will be on a Wednesday this half term. South Kensington Class P.E will be on a Thursday this half term.

Please remember to bring in **£1 donation** for our class fund on **Mondays**.

### **Important dates for your diary**

**Tuesday 15<sup>th</sup> May**                      **'Story Tree' interactive story session**

**TBC**    **Visit to Wandsworth Library**

**Thursday 7<sup>th</sup> June**                      **Trip to Deen City Farm**

**TBC**    **Informal Parents Evening (3.30-5.30pm)**

**Wednesday 27<sup>th</sup> June**                      **Early Years Sports Day**

**Thursday 12<sup>th</sup> July**                      **Reception Graduation Assembly. This will also be Miss Shannon's last day at West Hill Primary School as she is leaving to travel before returning to Australia**

Thank you for your continued support,

Reception Team
